SALT LAKE made it seven straight from Ogden yesterday. Cleaning up the series with the Kitty boys puts McCloskey safe in the saddle at the top. The games of the series were uniformly good. With the exception of a 9-5 game, the scores were low. Two eleven-inning battles on the Fourth of July made the series spectacular. The outstanding feature of the week's doings was the remarkable work of Ed Erickson, who pitched twenty-two innings on the Fourth, and wound up stronger than when he started.

Tuesday Salt Lake takes on Missoula for a week's play. Butte plays in Ogden and Great Falls at Helena.

Wednesday in Salt Lake will be N. E. A. day. Any person wearing an official N. E. A. badge will be admitted free of charge. The rule applies to men as well as women.

Two home runs figured in yesterday's seven runs for Salt Lake. One of them brought in a preceding runner. Huelsman and Schimpff were the lads who sent it out for four sacks.

After the second inning the game was as pretty as baseball battle as anybody wants to see. The first two innings were pretty enough from Salt Lake's standpoint of view, for in the two first sessions the Skycrappers put six men across. Ogden scored in the third and in the ninth, the latter tally being forced in when, with the bases filled, a hit batsman made it necessary for one of the occupants to vacate. Naturally it was the man on third who had to get out of the way.

Jensen Lingers Briefly.

Jensen started the pitching for Ogden. After six hits and six runs had been garnered off the left hander, he retired in favor of Knight when the second inning was two-thirds over. Knight held the hard-hitting Skymen to four hits during the remainder of the game, the one of which counted was Schimpff's homer in the third.

Castleton allowed only six hits, and he kept them scattered except for the third inning, when three safeties were made, giving Ogden a tally. The superiority of Salt Lake over their Ogden opponents at the bat has been in evidence all week. The ratio was best illustrated yesterday when three hits for Ogden gave them only one run, whereas bunches of three hits in the first and second gave Salt Lake three runs in each round.

Begins Harvest Early.

Salt Lake started its run-getting early. In the first Drensen heading the order, tripled to right field, Spencer struck out. Murphy hit to Jensen, who failed to handle the ball, and Murphy was safe. Huelsman singled over second, scoring Drensen. Davis went down, Jensen to Woolsams. Pendleton singled, the ball going into left center, and Murphy and Huelsman came across. Schimpff walked and there were two on, but the side was retired when Castleton went out to Woolsams.

Three more were ticked off for Salt Lake in the second. McClain started the inning by striking out. Drensen walked. The bases were full. Woolsams, beating the throw by feet, and went to third when Wessler tossed the ball over Jensen's head in returning it to play, and before it could be recovered from the lawn the speedy Drensen was safe on the bag. Spencer went down, Bisberg to Woolsams. Murphy singled and Drensen came home.

Over the Fence.

With two out and Murphy on, Huelsman picked out a nice soft one which Jensen sought to sneak over on the captain. He hit the ball miles over the left center field fence. Then Knight came to Jensen's relief and struck out Davis, putting the side to sleep. Ogden got one back in the third when Perkins tripled and scored on Knight's sacrifice fly to Huelsman. Wessler singled and so did Van. Both advanced a base and there was hope on the part of the Ogden contingent in the stand,

COPPERS WIN BOTH ON TIMELY HITTING

Batting of Fox and Oriet Feature; Both Battles Fast Exhibitions.

BUTTE, Mont., July 6.—Butte took both games of today's double-header with Helena, 5 to 3 and 3 to 0. The games were fast and well played by both the home and visiting teams, but Butte's more opportune hitting, together with good pitching and almost perfect support, won the two contests.

The batting of Fox and Oriet and three fast double plays featured the first game.

HILDEBRAND IS TOO MUCH FOR MISSOULA

Highlanders Organize Ninth Inning Rally, but Cannot Overcome Lead.

Special to The Tribune.
MISSOULA, Mont., July 6.—Errors and timely hits combined to give the Electrics six runs in this afternoon's game, while Hildebrand did with the home club just about as he wished.

Until the ninth inning Missoula had only one run. Then Hildebrand weakened and long hard drives brought the locals three scores. For a moment it looked as though the Highlanders might win, but Sorenson took a foolish chance and was caught off third by Hildebrand.

AERO CLUB OFFICIALS WILL DECIDE WINNERS

KANSAS CITY, July 6.—Five or six days will elapse before the Aero Club of America announces in New York the official winner of the national balloon race that started here Friday and ended in eastern Michigan. The delay is due to the fact that the Aero Club of America must carefully examine the measurements of the various balloons, which all the pilots have sealed and forwarded to New York. Then, too, the exact distances from Kansas City to the point where the balloons landed must be ascertained.

The fact that the nearest to official measurements made on an unofficial aeronautical map last night, shows but nine and one-half miles separating the Goodyear balloon from the Kansas City II, which is credited with having finished third, makes interest keen in the official measurement. As the measurements stand tonight, the Goodyear is credited with having flown 6474 miles, the Kansas City 6422, and the Kansas City II, 528.

The Aero Club of America also will have to decide upon the protests of Robert E. Noller, president of the St. Louis Aero club, and R. E. Greene of the Aero Club of Illinois, who allege that the two balloons were tampered with.

Fort Douglas Wins Two at Fairview
The fast Post team took a fall out of the Fairview team at Fairview by taking two out of three games on the Fourth of July. The soldiers lost the first game by the score of 10 to 7, but won the second and third games by the scores of 10 to 7 and 8 to 7, respectively. The last game was the most exciting and it was not until the thirteenth inning that the soldiers were able to put across the winning run. The feature of the game was a three-run homer by Barrett and Reeves, and for Fairview, Tucker and Stewart. For the second game, Elliot and Wanta for the post and Harris and Stewart for Fairview.

Narrow Escape for Marty.
PITTSBURGH, July 6.—Marty O'Toole, the Pittsburgh Pirates' \$22,500 pitcher, was twenty-four hours this side of death when he was operated on for appendicitis Thursday night. Surgeons E. W. Meredith and C. H. Aufhammer of the state of Pennsylvania, said that within a day his appendix would have burst and fatal peritonitis set in. Singularly, the long time recovering from an operation for the same disease and is in Allegheny general hospital.

MANY BOXERS EAGER TO MEET CHAMPION

Ritchie Looks With Favor on Battle With Welsh at Vancouver.

SAN FRANCISCO, July 6.—Champion Willie Ritchie will not want for matches if he feels like getting back into the ring. Already Leach, Cross, "Harlem" Tommy Murphy and Freddie Welsh have filed applications for a chance at the lightweight title.

There is a possibility that Ritchie will make his next appearance in a ring in September. Promoter Springer of Vancouver, B. C., is eager to get Willie to box Freddie Welsh at the Brighouse arena and a big crowd would assuredly greet the champion if he met the English titleholder in the Canadian city. Springer has made Ritchie a good offer, and it is said that Willie is inclined to accept.

Leach Cross, by his decisive victory over Bill Anderson, forced himself into the front rank of championship contenders. Having removed Joe Mandot and "Knockout" Brown from his path toward the top of the heap, Anderson was figured a sure winner over Cross by the Los Angeles fight followers, but the New York dentist won easily from the Medford boy. Cross gave an impressive exhibition on the Fourth of July and is entitled to a lot of consideration. The promoters will probably find him a good catch from now on.

Cross wants to box Ritchie for the championship, but is averse to taking on somebody else if Ritchie is not ready to give him a date soon. Tom McCarrey may match Leach with Joe Rivers for next month, and Jimmy Coffey is said to be angling for a Cross-Tommy Murphy bout for his date in this city in August.

Ritchie has received several offers to appear in vaudeville and says that if he accepts he will limit the engagement to four weeks, as he doesn't want to start on another long tour of the circuit.

Joe Rivers will remain in San Francisco for a few days and then return to his home in Los Angeles. He is disappointed because he did not win the championship, but he intends to work his way up to another chance by meeting some of the other contenders and substantiate his statement that he can do a lot better than he showed on the Fourth of July.

PREDICATEUR TAKES PRESIDENT STAKES

PARIS, July 6.—The Prix du President de la Republique was run at Maisons Laiffite today, and was won by J. C. Watson's chestnut colt, Predicateur. Victor D'Harcourt's Ecumen was second and the same owner's Amadou, third.

The race was over one mile four and one-half furlongs, and was valued this year at \$2500. Predicateur was 24 to 10 in the betting. Ecumen 28 to 10, and Amadou 28 to 10.

Nine horses went to the post, including Bruiler, winner of the grand prix in Paris. Herman B. Durvas's Banhee ran unplaced. Predicateur won by three-quarters of a length.

M'GRATH BEATS WORLD HAMMER THROW MARK

CHICAGO, July 6.—Matt McGrath of the Irish-American Athletic club, New York, threw the sixteen-pound hammer 158 feet and 7 inches at the revival of the Tail-teen Irish games here today, breaking his own world's record of 157 feet 4 inches. The long toss will not stand as a record, however, as it was not measured with a steel tape.

MAJESTIC BIKE SEASON COMES TO ABRUPT CLOSE

"Strike" of Riders Brings Forth Announcement That Saucer Track Is Closed; Controversy Results in Making Final Meet a Fizzle.

UNLESS something develops to alter the condition of affairs affecting the Majestic bicycle track, there will be no more bike races there this season. The announcement was made last night by Manager Harry W. Heagren that the track was closed for the summer so far as regular race meets are concerned. The announcement followed the professional riders at the saucer track and Manager Heagren of the Motor & Bicycle Tracks company resulted in the cancellation of the feature race of the programme at last night's meet. The second event of the evening called for a one-mile match sprint, professional, between Ever Lawson and Paddy Hehir. Up to the time for this race Manager Heagren had not been advised that Lawson and Hehir intended to withdraw. He was with much disappointment then that the crowd heard that the race would be canceled.

Announces Track Closed.

As a result of the contract controversy with all of the professional riders at the track, Manager Heagren announced that the Majestic saucer track had closed for the season. The first time the public was made aware of the inside troubles of the bicycle game, which have apparently been brewing in Salt Lake for some weeks, was when it was announced last night that Lawson and Hehir refused to ride. Personally concerned, they in no way served to satisfy a sport loving mass which had gathered to witness a full card of events. The fans naturally felt that they were not getting their money's worth.

With this turn in the evening's affairs the audience took little interest in the remainder of the programme. Summed up, the whole difficulty seems to be, from information gathered from both sides of the dispute, that the bicycle game has prospered little this season. Some of the riders said last night that at several times he has been forced to fall back on his personal funds in order to pay the winners. On the other hand, some of the professional riders say that owing to this financial crisis in the game, they have not received their bonus money promptly. Manager Heagren has promptly advanced a part of the season's bonus to each professional rider. Some of the riders said last night that they had money coming to them for several weeks and that they simply held on as a matter of business. Paddy Hehir stated last night that it was the agreement for which he and Lawson held out for when they refused to ride last night.

"Round Robin" Contract.
A "round robin" contract was written and signed by all professional riders who were employed at the track last week and it was presented to the management Saturday. It said in substance that the riders would not ride any more unless a guarantee was made of two race meets a week, for the remainder of the season, of two sprint professional races at each meet and the following scale of prizes for open events: Open race, \$10, \$20, \$10, \$10 and \$5; handicap races, \$25, \$20, \$10, \$10 and \$5. The riders said that this was originally the plan for the season as they understood it when they signed their contracts. Despite this contract, however, the riders agreed to fulfill their parts on last night's programme in an agreement which they drew up yesterday, under the same conditions as in former meets. No specification was made in this contract for (Continued on Following Page.)
